PROJECTS

Personal Portfolio

eddjhaebausa.vercel.app

Developed my portfolio website to provide accessible information about me. Showcased my work using developer & designer tools.

Slide Puzzle Game

react-slide-puzzle.vercel.app

A logical number puzzle that develops your thinking power. The game is cleared when every puzzle piece are in the right place.

Zyamura

zyamura-inventory-sales.vercel.app

A Inventory management website for Zyamura mix pet shop. CRUD data with real-time update using firebase cloud firestore.

Netflix Clone

netflix-clone-eta-fawn.vercel.app

Created using Next.js, Typescript and Tailwind CSS. Deployed using Vercel. I use TMDB API for fetching data.

TECHNICAL SKILLS
